Description

Sun filled contemporary new home in the beautiful Gaspereau Valley. Only 8 minutes to the town of Wolfville, 3 minutes to a coveted elementary school. Designed with remote workers in mind. In addition to the 3 bedrooms, 3 baths, there is a main floor home office. The open concept living space is great for entertaining and family fun. Each bedroom features a walk in closet and smart storage is incorporated through out. Laundry located on the same level as the bedrooms so you never have to worry about carrying heavy baskets all over the house. Each room is bathed in light by the south and west facing windows. With energy efficiency in mind,

the windows facing north (front windows) provide additional natural light while minimizing heat loss. Mini split heat pumps add to the efficiency of this home and provide cost effective heating and cooling. Located on a large private lot this home is a must see. Book a private viewing today!
