Description

Discover a piece of history in the coveted Haliburton Hill Subdivision. This charming, one-of-a-kind home is a true original and one of the first homes built in the community. Offering a unique design that set the vision of the area now filled with architectural homes. Set on a private lot, this property is a fantastic opportunity to build equity quickly. The main floor welcomes you with stunning vaulted ceilings and tall windows overlooking established gardens. Cozy up in the spacious living area next to the working fireplace, perfect for chilly evenings. The home offers a total of 5 spacious bedrooms and 2 full baths, providing ample space for a

growing family. The primary bedroom is a true retreat, featuring its own private deck, where you can enjoy your morning coffee surrounded by nature. Living in Stillwater Lake means enjoying a community that boasts privacy, parks, playgrounds, with easy access to amenities. This is your chance to own a character-filled home with immense potential in a highly sought-after location.
