Description

Welcome to this bright, sunny, move-in ready studio condo! Nestled on a quiet street in Halifax's sought-after South End, you'll be just minutes from Dalhousie, St. Mary's, and NSCAD, as well as the waterfront and downtown's best attractions, while still surrounded by mature trees and heritage charm. With soaring ceilings and an open, efficient layout, this space feels larger than it is and adapts easily to your lifestyle. The included Murphy bed frame transforms the room in seconds, opening up endless layout possibilities, offering a wide, open living area by day and a cosy bedroom by night. Both the kitchen and bathroom are generous

and well appointed, featuring granite counters and ample cupboard space. Storage is abundant, with two closets, including a walk-in. Modern comforts are all here: a ductless heat pump, in-suite laundry, dishwasher, fridge, stove, and built-in microwave. Step outside to your private patio, perfect for morning coffee or evening cocktails. With its unbeatably low condo fees and proximity to universities, this condo makes a great alternative to renting for university students (and parents!). A great investment and perfect place to call home!
