Description

Experience an elevated living experience of classic grandeur and modern comfort in the heart of Halifax. The iconic design by Page + Steele IBI Group and Union 31 reinvigorates one of downtown Halifax's landmark buildings. The Roy is the perfect balance of aesthetic and practical considerations. Enjoy floor to ceiling windows that flood the room with sun and dynamic views of our beautiful city. The kitchen island has seating for 4 and is lined with quartz. Setting this unit apart is an upgraded kitchen appliance package and in-unit laundry. The set back terrace allows you to experience the vibe of the city while enjoying incredible views of the

Halifax Harbor in both directions. The Roy Club occupies the entire 8th floor of the building (10,000 square feet) and is exclusively available to residents. Rejuvenate yourself in the pool, sauna, steam room, or private treatment room. Stay active year-round in the yoga room and the well-equipped fitness center. Curl up with a book in the library, watch a film or the big game in the theatre, or play billiards.
