Description

Beautifully maintained 3-bedroom, 4-bath semi-detached home with three finished levels and attached garage. Ideally located within a family-oriented neighbourhood, close to walking trails, parks, schools, and Peninsula Halifax. The main level offers exceptional flexibility with a spacious den and full four-piece bath. This area can easily convert into a large fourth bedroom with its own ensuite, making it perfect for guests, extended family, a private home office, or a family den. The second level features a bright, open-concept living and dining area with an ideal layout for comfortable everyday living and entertaining. It includes a spacious kitchen complete

with an eat-at island, stainless steel appliances, and patio access to a private deck with stairs leading down to the landscaped backyard. Upstairs you will find a generous primary bedroom with a 5-piece ensuite, two additional well-sized bedrooms, and a full 4-piece bath. Equipped with two heat pumps for efficient heating and cooling, this home offers comfort, functionality, and versatility in a highly desirable location. Back yard professionally landscaped August 2026.
