Description

An amazing opportunity to build your summer cottage or year round home on 1.19 acres located just off of Molega Lake. Partially cleared with a building site that previously had a cabin in place, this lot has two dug wells, two driveways and endless possibilities. There is a healthy mixture of birch, maple and oak trees on the property which provide privacy and shelter to the lot. Public beach access is only a short walk away and you are less than 30 minutes to

Bridgewater. Bring your builder and this lot has the potential to be a treasured family getaway for years to come.
